Frederick & Sons Design Group (Company Name)

Dear Hiring Manager,

I am writing to express my interest in the Front-End Developer role at your company. With over a year of experience successfully developing front-end applications using React, TypeScript, TailwindCSS and other modern frameworks, I believe my skills directly align with this position's requirements.

In my current role at Economic Plus, I have proven ability building complex user interfaces for a financial web application using React, Node.js, TypeScript and TailwindCSS. Some key projects include: designing an interactive dashboard for tracking expenses, optimizing load times through component optimization, implementing customized user reporting features. I continuously seek out new ways to learn and improve my skills.

I am excited by the opportunity to join your front-end team. My experience collaborating cross-functionally and continuously enhancing applications through adopting new technologies will enable me to have an immediate positive impact. I welcome the chance to speak further about the position and my qualifications. Please contact me at +55 (18) 99122-2161 or vitorjgomes25@gmail.com.

Sincerely,

Vitor J. Gomes
